No 69 21 The Maharani's Girls' School /
Mysore, 7th September 1896

From

The Honorary Secretary,
Maharani's Girls School,
Mysore

To

The Inspector General of Education
in Mysore,
Mysore

Sir,

With reference to your letter No 920/94 dated 31st July 1896, I have the honour to inform that there will be a net savings of Rupees one hundred and forty five (Rs 145) even after the entertainment of Janakamma and Gouramma as school mistresses as may be seen from the following statement Both Janakamma and Gouramma have been employed as teachers since 5th July 1896

Savings				Proposed Expenditure			
of Miss Ghosal resigned	250			K Chintamani Rao's pay	80	"	
M Narasinga Rao, died	30	"	-	Increase to Mother Frances	20	"	
N G Annayya, Writer, died	25	"		" Balaje Rao	15	"	
M Subbarayer, Music Master whose services will not be required in the school	25	"		" Lakshmanaranappa	10	"	
Carships of Janakamma and Gouramma	40	"	-	Allowance to Parameswara Iyer	15	"	
of Padmavathibaye	15	"	-	Pay of two additional mistresses Janakamma & Gouramma	100	"	
Total Rs	385	"		Total Rs	240	"	
				Net Savings - Rs 145			

2 As regards reducing the starting pay of those female students who pass the Upper Secondary and Teachers Certificate Examinations from Rs 50 to 30, the Committee are of opinion that it is undesirable to reduce the starting pay of passed candidates at the present moment as the inducement offered has hardly begun to draw under education and training a sufficient supply of qualified female teachers of the class from which it is desirable such teachers should in the first instance be drawn, and that it will be a great mistake to carry out the proposed reduction until they have a sufficient number of qualified school mistresses

3 As there is a difference of opinion among the members of the Committee with reference to the transfer of Miss Uhlemann as Kindergarten and Drawing Mistress to the Maharani's Girls School with her present pay, the Committee will leave the matter entirely to the discretion of the Inspector General of Education
